**Guidelines for working on a Twin Cities Catholic Cursillo Team:**

- It should be 6 months since you made your weekend.
- Your application can be filled out and given to your Ultreya Rep, or filled out and submitted on line to the Cursillo Section via the Twin Cities Cursillo Website.
- You must submit a new team application after each team worked. All working team applications are removed from the **“Available To Work”** file and destroyed after the completion of the weekend.
- Team applications will be kept on file until you serve on a team. Application will be removed from **“Available To Work”** file upon request.
- The goal is to have enough applications on file, so people only need to work on one team per year.
